

Tolliver Tales

A Bi-Monthly Newsletter

Now Available in Audio!

Yes, **THE OTHER** is now in audio format, available at **Apple**, **Audible**, and **Amazon**... but **you** can have it for free! See page 3 for the free download codes and the directions. *Thomas Block* presents a dramatic narration. Since it is the book that started the **Zack Tolliver, FBI** series it is a favorite of this author. It was very exciting to revisit the work as Thomas and I worked on the production.

While not wishing to appear forward I must once again make my plea to everyone to review my books on **Amazon**. The face of book publishing continues to change, but one constant has been the value of a review. If you have read one or more of my books, and enjoyed it, please take a moment to jot down a few favorable lines on the book's page. You don't have to join anything to do so. And yes, authors read your reviews, especially this one. There is always more to learn from them. **I was interviewed** by *AllAuthor* recently as part of their promotion. Read it on my website home page (below). In it I point out that New Jersey does indeed have forest, among other amazing facts. **We had fun** and great food at **THRILLER NIGHT** at *CHARLIES* in **Los Alamos**. Charlie did a BBQ Tri-Tip over the fire, old style, while I read scary selections from my Zack Tolliver series. We all enjoyed ourselves.

THANK YOU FRIENDS, FANS

Regardless of machinations by giants like Amazon the current publishing revolution is fueled by you, the reader. Consumer choice directs the growth of paperback, eBook, and/or Audiobook publishing. Reader support has dictated the growth of Indie publishing, created hybrid authors, and caused beneficial reforms to traditional publishing. Every author now has a fair chance at the marketplace. It's a new world, and it's all good.

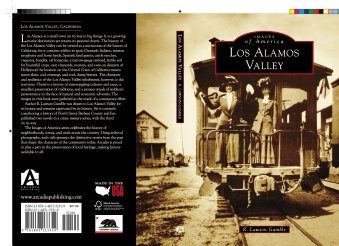

This just in: the audio format of **CANAAN'S SECRET** has been approved (12/3) and will be on sale at **Apple, Audible, and Amazon** in about seven days. The narrator/producer is *John McLoughlin*. We know you will enjoy this version of the story, even if you have already read the book.

From all of us here in **Los Alamos** to all of you wherever you may be - **may Your Holidays be Merry and Bright!**

We will make an appearance at **THE CORNER CAFE** in **Los Olivos** this Saturday from 11 am to 2 pm selling our books along with 14 other local authors. There will be artists and craftspeople of every description throughout the day. The organizer expects this to become a monthly event. If you are local or in the vicinity, drop by. **Some readers** may have downloaded the multi-author volume **WESTERN JUSTICE**

consisting of three novellas by three authors in the same genre and category. You will find **Missing In Montana** by *Felix F. Giordano*, **Native Roots** by *Mark Reys*, and **The Dark Road**, the prequel to the *Zack Tolliver, FBI* series by **R Lawson Gamble**. There never was or ever will be a better deal. The eBook is FREE (and always will be) on Amazon. **Special to readers of this newsletter:** watch for a new **eBook Box Set** that will include the new prequel along with **THE OTHER** and **MESTACLOCAN** soon.

Fun fact: The book most read from the *Zack Tolliver* series in the U.K. is... **MESTACLOCAN!**
